

## **POLISH POTATO SOUP**

(Polish potato soup varies from other potato soups mostly in its seasonings, so different and so delectable)

6 medium sized potatoes, diced  
2 large or 4 medium sized onions, diced  
6 bay leaves  
1 tablespoon whole cloves  
1 quart milk, warmed  
Salt and pepper  
1 tablespoon tarragon vinegar

Simmer the potatoes, onions, bay leaves, and cloves happily together in barely enough water to cover until both the potatoes and onions are tender and mushy. Fish out the cloves and bay leaves. Add the warm milk salt & pepper. Add the tarragon vinegar, stirring very carefully so it doesn't curdle. Heat, but do not let it boil. Serve immediately. Serves 4
