

Strawberry Frosted

Blended smooth in a jiffy

Ingredients

- 1 cup boiling water
- 3 oz package of strawberry flavored gelatin
- 1 quart cold milk
- 1 quart strawberry ice cream

Instructions

1. Place boiling water and gelatin in blender; cover and blend until gelatin is dissolved.
2. Pour $\frac{1}{2}$ cup of gelatin mixture into a cup and set aside.
3. Add half the milk to gelatin mixture in blender; blend on low speed until well-mixed.
4. Add half the ice cream; cover and blend until smooth.
5. Pour evenly into 6 tall glasses.
6. Blend remaining gelatin, milk & ice cream together and pour into the glasses.
7. Garnish each glass with a fresh strawberry, if desired.
