

### Strawberry Frosted

*Blended smooth in a jiffy—*

- 1 cup boiling water
- 1 3-ounce package strawberry-flavored gelatin
- 1 quart cold milk
- 1 quart strawberry ice cream

Place boiling water and gelatin in blender container; cover and blend till gelatin is dissolved. Pour  $\frac{1}{2}$  cup of the gelatin mixture into a measuring cup; set

aside. Add half the milk to remaining gelatin mixture in blender container; blend on low speed till well-mixed. Add half the ice cream; cover and blend just till smooth. Pour into tall glasses. Repeat with reserved gelatin mixture, milk, and ice cream. Garnish each glass with a fresh strawberry, if desired. Makes 6 servings.
