

COOKIES FROM CAKE MIX

1 (2-layer) cake mix, any flavor

$\frac{1}{2}$ cup cooking oil

1 tablespoon water or milk

2 eggs

Add oil, water and eggs to half the cake mix; blend well. Add remaining cake mix; blend well. Drop by teaspoons onto greased cookie sheets and bake in 375-degree oven 10 to 15 minutes. Add chopped nuts, coconut or raisins to the batter if you wish.
